INSTRUCTIONS:

- 1) Cut a 5-1/2" x 8-1/2" piece of Melon Mambo card stock and fold in half to create your card base.
- 2) Cut a 5-1/2" x 4-1/4" piece of Glossy White card stock. Dust with Embossing Buddy and tap to remove excess dust.
- 3) Insert Love Blossoms wheel into handle and ink with VersaMark. Roll stripes on the glossy white card stock straight across vertically, leaving a quarter to half of an inch between stripes. Cover with embossing powder, tap to remove excess and heat with a heat gun until the embossing powder melts.
- 4) Add 1-2 drops of each color of ink into a paint pallet or onto the lid of a plastic stamp container.
- 5) Fill your Aqua Painter with water and lightly squeeze the barrel to make the brush wet. Using a small spray bottle, spritz glossy white card stock with water. Working lightest color to darkest, pick up ink with your Aqua Painter and float on the wet embossed surface. See Sage's floating re-inker video for more information. <http://youtu.be/Kg7yoy04JiQ> Set aside to dry or speed up drying with a heat gun.
- 6) Once glossy card stock is dry, if it is warped, place under a flat heavy object (like a book) until it flattens out.
- 7) Cut two 3-1/2 x 1-1/4" pieces and one 3-1/2 x 1-3/4" piece of Glossy White card stock.
- 8) Cut two 3-5/8 x 1-3/8" pieces and one 3-5/8 x 1-7/8" piece of Melon Mambo card stock.
- 9) Cut two 3-3/4 x 1-1/2" pieces and one 3-5/8 x 2" piece of Rich Razzleberry card stock.
- 10) Cut a 4-5/16" x 2-1/8" piece of Rich Razzleberry card stock.
- 11) Cut a 4-3/16" x 2" piece of Melon Mambo card stock and center in the Houndstooth Embossing Folder. Run through the Big Shot to emboss.
- 12) Assemble Mats and adhere using SNAIL Adhesive, layering Glossy White on Melon Mambo on Rich Razzleberry. Assemble Houndstooth Melon Mambo piece on Rich Razzleberry mat.
- 13) Center a 3-1/2 x 3" Rich Razzleberry card stock over the large butterfly in the Beautiful Butterflies Bigz die. Cut a 2-1/2 x 2" piece of the Love Blossoms re-inked glossy card stock and center over the small butterfly in the Beautiful Butterflies Bigz die and run through the Big Shot to cut out on large and one small butterfly.
- 14) Mark center of Melon Mambo card base along the 5-1/2" side, by making a small pencil mark at the top and bottom at 2-3/4". Take 3-5/8 x 2" mat and align the center (1 inch) with the marks on the card base. Attach using Stampin' Dimensionals. Add other two mats on either side of center mat, 1/16" away from middle mat, also with Stampin' Dimensionals. Erase pencil marks.

- 15) Use Stampin' Dimensionals to add Houndstooth mat vertically, leaving 5/8" to card base on the left, top and bottom of the card.
- 16) Attach Love Blossoms butterfly to the larger Rich Razzleberry butterfly using a glue dot. Add 3 Rhinestone basic jewels to the center of the butterfly and attach to the card using a Stampin' Dimensional cut to fit.
- 17) Stand back and enjoy the finished card.
